

4 Bay Urinals

Our four bay urinals are great for events to reduce toilet queues and leave toilet cubicles free for other users.

Hand sanitiser dispensers can be incorporated into your hire for increased hand hygiene.

4 bay urinals are fully linkable, and units can be drained into a holding tank away from pedestrians if required.

Ideal for larger events where alcohol may be served.

Can be supplied with fencing enclosure for increased privacy if required.

With privacy fins between each urinal. Helps to cut down on queues for toilet cubicles.

Large self contained waste tank. can be connected or linked for extra waste storage.

Easy to install, convenient and perfect for high traffic areas.
