Minimum hire period 4 weeks

The Sentinel

Ideal for indoor areas such as receptions, and factory floors.
 Hands free - Foot pump activated.
 Reduce maintenance - 7.5 litre reservoir large capacity tank
 Lockable access door, with adjustable dosing valve

The Beacon

Highly visible and durable in all weathers
 Universal dispenser fit, depending on your choice
 Holds 2 dispensers at once for multiple use
 Mounted at an accessible height

The Swift

Great mobility with heavy duty wheels for uneven terrain
 Easy to move with ballast tank for stability when static
 Great for temporary outdoor spaces, whatever the weather.
 Prominent and durable for high volume places.

DIMENSIONS	The Sentinel	The Beacon	The Swift
